Staff introduced the Consultants that were hired to help with the rewrite of the Land Development Plan. Jake Petrosky from Stewart lead the presentation about the information that has been gathered for the Land Development Plan update.

Vision: The Planning Board works to provide prudent guidance in land planning issues to reflect the values of the community.

Mission: The Mission of the Alamance County Planning Board is to respond to needs of its citizens by providing leadership and guidance for the comprehensive, thoughtful, and orderly growth and development of our land based upon respect for our rich history, culture, and fairness to our citizens.

amendment to the Heavy Industrial Development Ordinance. The staff explained that since the Solar Energy Ordinance has been approved by the Board of Commissioners and is an active ordinance for the County, that use is no longer needed in the Heavy Industrial Development Ordinance. The only amendment is to remove the Solar energy out of the definition of the renewable energy facility. Board members asked if there were any other changes and staff responded no that the definition is the only change being evaluated.
